CLUB INFORMATION

Havasu Gold Seekers, Inc. is a non-profit gold seekers club in Lake Havasu City, Arizona with 20 gold bearing claims, covering over 3200 acres.

The Club was started in early 1991 when a small group of Lake Havasu City residents got together for the purpose of recreational gold prospecting in the desert near Lake Havasu City, Arizona. The Club started with about 20 men and women and grew slowly until February of 1992 when Captain Dan McCarty and seven other members formed an association and filed four placer claims totaling 640 acres. At the very next club meeting the Club elected officers and adopted by-laws. The newly elected President, Dan McCarty, Vice-President, Denny Craig, and Secretary, Elaine Babb, had the tough job of making things work well for the benefit of all club members. From that point on the Club has grown to over 400 members. HGS purchased its own land near the claims for Club activities such as family outings, BB's, camping and of course, GOLD PROSPECTING!

From September through May, the Havasu Gold Seekers, Inc. meets in the Havasu Room at Quality Inn & Suites Motel on the first Tuesday of each month at 7:00 p.m. The Board Meeting precedes the general meeting at 6:00 p.m.

Yearly individual or family membership dues are \$40 and are due by December 31. Family membership includes family members under 18. The initiation fee for a new membership is \$100. The total cost for new members the first year is \$140 and \$40 thereafter. The dues are used to send out a monthly newsletter, pay miscellaneous expenses, and pay the fees on all of the Club's gold claims

Anyone wishing to join the Havasu Gold Seekers must fill out a Membership Application and a Hold Harmless Agreement. Take your application and agreement to a Club meeting or mail it along with your check to:

works, he passed a signup sheet around for volunteers to help the kids pan and metal detect for bb's and nickels. Bill announced that the well is broke again and there will be some people out at base camp trying to get it fixed. Thanks were given out to James Rixie for taking care of membership, to Debbie Smith for selling tickets, to Teresa Sixberry for taking care of activities. Norb gave out a special thanks to all that jumped in and helped out for the New Years Eve party, Joe and Kathy Tommila, Johnn Marshall, Bob and Jan, Glenda, Blanche and to anybody else that volunteered, Johnn also added a thanks to Norb, he does a lot of leg work to get it done. Norb asked if anybody wanted to come to a Super Bowl party and the Spaghetti dinner. There was not much interest and it was brought to our attention that there was going to be a GPAA gold and treasure hunt in Quartzite on the same weekend as the spaghetti dinner. Norb reminded everyone that you have to have the generator running to be able to use the rest rooms in the Fran Lowell building. Neil stood up and told us about a big detecting hunt in Quartzite on January 19th at 1pm. Neil also talked about the GPAA gold and treasure hunt being February 15th thru the 17th. Ron Marshall gave a claims report, there is no common dig because of the ground being too wet. He also reminded everyone that the well is down and if everyone could conserve water until it gets fixed. Bill explained that we are switching over our website from a California domain to a Havasu domain and that it has caused a few glitches. The web address will still remain the same and should be up and running soon. Norb gave an update on the bathrooms, the plumbing is in and

inspected, they leveled the pad today and is ready for steel and then we will be calling for the next inspection. Norb explained that the well is really broke and that it will cost a couple thousand just to fix it now so we have been talking about going to an electric pump with a generator and that will produce 3 times more than we get now. There was a motion made and seconded to adjourn.

Secretary Kim Marshall
