# THE PROSPECTOR

VOLUME 22, ISSUE 5

October 2014

Wow! here we are after our 2<sup>nd</sup> meeting of the 14-15 season.

A great turnout for the October meeting and strong support for the club was evidenced.

November will see nominations for officers and directors in addition to those nominated at the October meeting.

I thank all those who supported the motion presented as I can see that all care about the club and want evenhandedness when dealing with the occasional problems as they arise. Problems are not cheese or wine, they do not get better by aging them. A big thanks for the 1<sup>st</sup> response team that helped me with my sciatic attack and put all my equipment away.

## **CLUB INFORMATION**

Havasu Gold Seekers, Inc. is a non-profit gold seekers club in Lake Havasu City, Arizona with 15 gold bearing claims, covering over 320 acres.

The Club was started in early 1991 when a small group of Lake Havasu City residents got together for the purpose of recreational gold prospecting in the desert near Lake Havasu City, Arizona. The Club started with about 20 men and women and grew slowly until February of 1992 when Captain Dan McCarty and seven other members formed an association and filed four placer claims totaling 640 acres. At the very next club meeting the Club elected officers and adopted by-laws. The newly elected President, Dan McCarty, Vice-President, Denny Craig, and Secretary, Elaine Babb, had the tough job of making things work well for the benefit of all club members. From that point on the Club has grown to over 400 members. HGS purchased its own land near the claims for Club activities such as family outings, BB's, camping and of course, GOLD PROSPECTING!

From September through May, the Havasu Gold Seekers, Inc. meets in the Havasu Room at Quality Inn & Suites Motel on the first Tuesday of each month at 7:00 p.m. The Board Meeting precedes the general meeting at 6:00 p.m.

Yearly individual or family membership dues are \$40 and are due by December 31. Family membership includes family members under 18. The initiation fee for a new membership is \$100. The total cost for new members the first year is \$140 and \$40 thereafter. The dues help us pay for club functions, miscellaneous expenses, and fees on HGS gold claims.

Anyone wishing to join the Havasu Gold Seekers must fill out a Membership Application and a Hold Harmless Agreement. Take your application and agreement to a Club meeting or mail it along with your check to:

#### Meeting Minutes - October 2014

The meeting was brought to order by the president, Rudy Andrews, with Vice-president Johnn Marshall, Treasurer Norb Kiesling, and Board Members Ron Marshall, James Rixie, and Bruce Miller present. A motion was made and seconded to approve the minutes of the previous meeting as published in the newsletter. The Treasurer gave the financial report for September and it was approved as read. The treasurer also announced that \$1272. Was paid to BLM to re-file 6 of the claims that they had voided last year bringing the total to 8 claims filed with BLM to date. All 20 of the claims have been filed with the county and we will file the rest with BLM as money becomes available. It was requested from the floor that a list of the filed claims be made available and it was agreed that the list would be posted at the Fran Lowell building next to the map and made available to the members.

Ron gave a campground report and at this time we only have 3 spaces available, after that we will be putting names on the waiting list again. He also reported that 6 rattlesnakes have been killed at camp in recent weeks, 5 near the Fran Lowell building and 1 in the center of camp.

Rudy thanked all that came to his rescue out at base camp when his legs gave out and he was unable to get back up.

Ron reported that the ground is pretty wet in the common dig area so there will be no October common dig, however the common dig area will be open for that weekend only for anyone that wants to go up and play.

It was suggested that gate posts be installed on the road when entering the new property and signs be posted there to identify it as private property of Havasu Gold Seekers however the by-pass around camp to be left where it is due to the difficulty of cutting a new road through several washes.

Rudy announced that nominations were opened at this meeting and next and that elections will be held at the December meeting. Nominations at this meeting were:

Board Members: Ron Marshall, James Rixie Bruce Miller, Rich Lambright, Dennis Lusby President: Rudy Andrews Treasurer: Norb Kiesling Rudy presented a motion that had been approved by the Board to evict Bob Howe from Base Camp and to revoke his membership due to many serious violations of camp rules and for other incidences that have caused concern at camp. After some discussion and mention of other problems caused by this individual the motion was seconded and carried unanimously. Rudy is to prepare an eviction notice and present it to Bob.

Delores Homen announced that she is doing the Susan B. Komen 60 mile walk for breast cancer research and is looking for support and donations. See Delores or Dorothy for more information and for the forms for donation.

Norb announced that Thanksgiving dinner will be held on Saturday November 22nd. We will supply all the turkey, dressing, potatoes etc. just bring a dessert. We will be eating at 3:00 PM.

We at Goldseekers have lot of fun with cookouts, holiday dinners, trail rides and common digs mostly paid for with our yearly dues, at times we will call out for volunteers for a project or work party, and also some of our members take on projects. Please come out and help, we as a group appreciate and benefit from the labor our volunteers provide, the more people that help the less we all as individuals need to do. We all benefit from keeping our base camp a nice and clean place for all members to visit.
