

Meeting Highlights -January 2021

The meeting was called to order by President Dennis. A roll call was taken with all officers and Board Members present.

There were no corrections to the meeting highlights from the December meeting
Treasurer Norb gave the treasurers report for December and it was accepted as read.

Activities: All activities for this month have been cancelled with the exception of the Common Dig.
Further events will be discussed at the next meeting.
Little Delbert Days has been cancelled.

Claims: Dan announced that the starting time for the common dig will be at 8:00AM until further notice. This is still in the bonded area on our claim 3A. As an additional incentive to get more people out to the dig, he will be holding a drawing at this dig and the next 2 digs for someone to win .5 grams of gold. One half of the gold is donated by the club and Havasu Coin and Gold donated a matching amount. He reported that Roy won the .5 grams of gold and that everybody found a little gold at the December dig.

Base Camp: Roy announced that there are still 3 spots available at camp. Dick announced that the remodel of the old bathrooms came in just under \$9500 and he thanked all who helped. Dennis mentioned that there was a fire at camp last week and thanks to all involved the fire was contained to the storage shed. They found that there are a few changes that need to be made to our Fire Wagon and a training session will be held for camp residents on the operation of the safety equipment.
