

## Meeting Highlights -April 2022

The meeting was called to order by President Mort. A roll call was taken with Board Members Bruce Miller and Harvey Crow absent.

The Highlights of the February Meeting were not published due to the Newsletter Editor being laid up. Treasurer Norb gave the treasurers report for March and it was accepted as read.

Activities: There are no activities planned for this month.

Claims: The Common Dig will be held 4/9/2022 starting at 7:00 AM at the new dig site on claim 8C. The corner of the claim is located right on the road 1½ miles south of the camp. Thanks to Dan and the great co-operation of the new geologist at BLM the Mining Notice for the new Common Dig site was approved in record time. What in the past has taken 2 to 3 years (and sometimes never) was accomplished in just a couple of months. Since it is close to camp, the lunch will be served at the Fran Lowell building at 11:00 AM.

Base Camp: Dan Reported that all of the campsites are now occupied so we will be starting a waiting list for anyone looking for a camp space. There are still a couple of people who haven't paid their Maintenance fees for this year. Get them in now or you will be assessed a late fee. It was noted that vehicle speeds in camp have been increasing lately. Please keep your speed below 5 MPH for the safety of all concerned and to keep dust to a minimum.

Newsletter: If you need a name tag or had previously ordered one and haven't received one please see Bruce. Also send any pictures you might have from recent club activities.

Old Business: None

New Business: Next Meeting is the last one for the season so we will be holding the losers drawing. First person gets 3 oz. of silver, 2<sup>nd</sup> gets 2 oz., and third gets 1 oz. Bring all of your losing tickets from this year with your name on the back for the losers drawing.

After the raffle was held, the meeting was adjourned.

Thanks to Havasu Gold and Coin and to Dan O's Trading Post for prizes donated for the drawing.
