# THE PROSPECTOR

## October 2024 HGS members!

It's time to FALL for Gold! As fall has started and our heat wave continues it's time to get ready for gold fever and prospecting. Soon our temperatures will be just right for outdoor fun, gold prospecting and events. November has a few important dates to place on your calendar.

November 5, 2024 our monthly meeting will be at Base camp at 6pm. Food will be provided. November 23, 2024 is our annual turkey feed and treasure hunt. Treasure hunt is at 11am, dinner is at 2pm. Come Hungry!

If you have a campsite at Base camp please cleanup your space. This is a campground. Remember it's a privilege not a right to occupy a space. If you're in camp and have an issue with any HGS buildings, grounds or need help with your equipment please contact our Base camp maintenance chair Mike Denny in space 97. Be safe while outdoors in our rugged desert.

## Club Information

Havasu Gold Seekers, Inc. is a non-profit gold seekers club in Lake Havasu City, Arizona with 15 gold bearing claims, covering over 320 acres.

The Club was started in early 1991 when a small group of Lake Havasu City residents got together for the purpose of recreational gold prospecting in the desert near Lake Havasu City, Arizona. The Club started with about 20 men and women and grew slowly until February of 1992 when Captain Dan McCarty and seven other members formed an association and filed four placer claims totaling 640 acres. At the very next club meeting the Club elected officers and adopted by-laws. The newly elected President, Dan McCarty, Vice-President, Denny Craig, and Secretary, Elaine Babb, had the tough job of making things work well for the benefit of all club members. From that point on the Club has grown to almost 300 members. HGS purchased its own land near the claims for Club activities such as family outings, BB's, camping and of course, GOLD PROSPECTING!

From September through May, the Havasu Gold Seekers, Inc. meets at the Aquatic Center room 155, on the first Tuesday of each month at 7:00 p.m. The Board Meeting precedes the general meeting at 6:00 p.m.

Yearly individual or family membership dues are \$40 and are due by December 31. Family membership includes family members under 18. The initiation fee for a new membership is \$100. The total cost for new members the first year is \$140 and \$40 thereafter. The dues help us pay for club functions, miscellaneous expenses, and fees on HGS gold claims.

Anyone wishing to join the Havasu Gold Seekers must fill out a Membership Application and a Hold Harmless Agreement. Take your application and agreement to a Club meeting or mail it along with your check to:
